

MULTIFEED SOAP DISPENSER KIT

SPECIFICATIONS

Stern's Multifeed Top filling soap dispenser kit is the ideal solution for heavy usage areas. The multifeed system simultaneously supplies liquid soap to up to 6 soap dispensers. Includes a 6-Liter soap container. Powered by a 12V transformer. Top filling mechanism with high quality chrome plated anti-theft cover - no need to remove the container from its support below the counter. Can be used with Stern's wall and deck-mounted soap dispensers. The multifeed soap dispenser kit is simple, clean and quick to install. It helps to ensure that the bathroom stays organized and neat and provides a germ free automated environment. The perfect combination with Stern's electronic faucets and soap dispensers lines.
