

PRODUCT UPGRADE NOTIFICATION:

Effective 2022, the paper dispenser in our SWAR module and the Behind-the-mirror products will be supplied as shown in the picture below

PREVIOUS VERSION

UPGRADED VERSION

The new product has undergone several upgrades:

- Capacity: The dispenser can now hold double the amount of paper despite remaining the same height
- Based on 316-Stainless-steel
- Increase in thickness

Thus providing a superior product maintaining the STERN standard.
