Boutique Design New York (BDNY) is the leading trade fair and conference for hospitality's boutique and lifestyle design community.

For two high-energy days each November, it's the curated, creative event of the industry—bringing designers, architects, purchasing agents, hoteliers, owners, and developers together with inventive manufacturers of design elements for hospitality interiors for a highly curated experience. BDNY will return to New York's Javits Center in 2022 and will be co-located with HX: The Hotel Experience.
