

CSABA PETITE TOUCH FREE DECK MOUNTED FAUCET

SPECIFICATIONS

Touch-free deck-mounted electronic faucet. For cold or premixed water. Powered by IP67 Dual power input box connected with power splitter to 12V transformer. Integrated back up system to be used with 9V lithium battery enabling the faucet to be used normally in case of power failure. Chrome plated body, other finishes available. Activated by concealed sensor built into the spout. Filter included. Sensor includes a low battery indicator. Adjustable settings by remote control: sensor range, security time, delay in, delay out, on-off and reset to factory settings.

OPERATION

Touch-free electronic faucet automatically activated when users place their hands in the sensor range and stops when the users remove their hands. The Csaba Petite Duo helps ensure hygiene and cleanliness in commercial restrooms with less space.

APPLICATION

Combining an elegant design with vandal-resistant features. Easy installation. Long lasting even in the harshest installation sites. Helps washrooms stay clean and saves water and soap. Prevents cross contamination. Ideal for applications where smaller units are required such as public transport restrooms.
